An Evening to Celebrate The Honourable Bob Rae, PC, CC, O.Ont, QC

LIFETIME ACHIEVEMENT AWARD DINNER

Wed., May 16, 2018. 6pm. Reception / 7pm Dinner & Programme.
The Canadian Room. Fairmont Royal York.
100 Front St. W, Toronto, ON. / Business Attire.

The Canadian Association of Former Parliamentarians (CAFP) is delighted to announce this year's Lifetime Achievement Award recipient, the Honourable Bob Rae, PC, CC., O.Ont, QC.

This is an inspired choice. Bob is one of Canada's most gifted politicians. Over a 40 year period he has served as a representative in both the House of Commons and in the Legislative Assembly of Ontario. He was Ontario's 21st Premier from 1990 to 1995. He left Queen's Park to join the law firm of Goodmans LLP in 1996. From that perch, over a number of years, he dealt with a wide range of complex and sensitive public policy assignments both domestic and international. He handled these with skill and great passion.

Bob returned to politics at the federal level in 2006 with renewed energy and under a different political banner. He served as his party's interim leader from 2011 to 2012. Since 2013, he has devoted his energies to First Nations issues as legal counsel, advisor, and negotiator with the firm Olthuis Kleer Townshend. Acknowledging his skills on refugee and displacement issues Prime Minister Trudeau recently appointed him as Special Envoy to Myanmar. The appointment reflects Bob's deep understanding of public affairs and his ability to find solutions to difficult problems.

The CAFPP is honoured to present Bob with a Lifetime Achievement Award. Please join us, along with Dinner Co-Chairs, Greg Sorbara and Léo Duguay, on May 16, 2018. This is an occasion that you will not want to miss!

Additional information is attached. The Lifetime Achievement Award dinner honours former Parliamentarians who have made an exceptional contribution to Canada in their parliamentary and post-parliamentary career. Proceeds from the event support the work of the Association in the promotion of democracy in Canada and around the world.
