Presented by:

The Canadian Association of Former Parliamentarians (CAFP) is delighted to announce this year's Lifetime Achievement Award recipient, the Honourable Jean Charest, PC. The Lifetime Achievement Award dinner honours former Parliamentarians who have made an exceptional contribution to Canada in their parliamentary and post-parliamentary career. Proceeds from the event support the work of the Association in the promotion of democracy in Canada and around the world.

Jean Charest represents all the qualities of a true "public servant", outstanding leadership, diplomatic skills, and a dedication to Canada.

Jean was first elected to the House of Commons in 1984 and, at age 28, became Canada's youngest cabinet minister as Minister of State for Youth. In 1991, he was named Minister of the Environment and Minister of Industry and Deputy Prime Minister of Canada in 1993. In 1994, Jean Charest was chosen Leader of the federal Progressive Conservative Party. He held that post until 1998 when he became Leader of the Quebec Liberal Party. Mr. Charest then broke a 50-year provincial record by winning three consecutive election campaigns in 2003, 2007 and 2008. Amongst his many accomplishments, as Quebec Premier, he reached an unprecedented labour mobility agreement between France and Québec, he landed a major initiative for the sustainable development of Northern Québec called "Plan Nord" and initiated the negotiation for the Canada-European Union Comprehensive Economic Trade Agreement (CETA).

He is today a Partner at the Canadian law firm McCarthy Tétrault, where he provides invaluable expertise to the firm's clients with his in-depth knowledge and experience with public policy, corporate Canada and international matters. As a strategic advisor with a unique perspective, he supports clients on complex transactions, projects and international mandates, as they navigate the global business environment.

The Association is honoured to present the Lifetime Achievement Award to the Honourable Jean Charest. Please join us on April 23, 2019. This is an occasion that you will not want to miss!
