Notes and Instruction for Land Programme Booking

1. Please confirm your Land Tour through CAFP Logistics Officer, Ms Carolina Moore. Her contacts are as follows:
 - Telephone-613 447 0944
 - email – carolina.moore@parl.gc.ca
2. Please indicate in your booking request the following information:
 - a. Taiwan Land Programme only, or;
 - b. Taiwan and Hong Kong/Macau extension;
 - c. First and Last name, as it appears on your passport and passport number.

- d. First and Last name (as it appears on their passport) of the person sharing a room for double occupancy; or
 - e. If You wish to book a room for single occupancy.
3. Due to the recent opening in January, 2023 of tourism travel to many Asian destinations, there is a lot of pressure on hotels, tour coaches, and restaurants. We are only able to confirm the rooms and services when we pay 30% deposits to the local travel company.
 4. We wish to kindly ask your cooperation to transfer **C\$3,000** per person payable to CAFPP to confirm your space(s) for the Land Programme. The balance of the payment will be required by the 30th June, 2023.
 5. Our estimated Land Tour price has been adversely affected by: 3 years of pent-up travel demand in Asia, inflationary pressure, higher fuel cost, lifting of mandatory quarantine in Asia, and foreign exchange factors. The quotation above is subject to minor final adjustments when we are closer to our departure date. We are still negotiating for better accommodation rates in Hong Kong, as more hotel rooms become available. Any savings will be passed back to the Hong Kong Extension participants.
 6. If you wish to extend your stay in Asia following the official Study Tour, please contact Ms Charmie Chiang for flight schedule and accommodation amendments.

Instructions and Notes for Airline Ticket Booking

1. Please book your airline ticket directly with our designated travel consultant, Ms Charmie Chiang. Her mobile number is: 416 618 8161. Her email is: charmie.chiang@jadetours.com. We suggest that you do this, as soon as possible, as October & November are high tourist season in Asia. The fact that China, Hong Kong, Taiwan, Japan & Korea had recently opened their borders for tourism travel it is putting a lot of pressure on airlines and hotels availability.
2. If you wish to book your own ticket(s) by using reward points, please book it directly with the reward programme or airline. The routing and airline schedule for the Study Tour is included above for your reference.
3. If you are flying via another airline, please ensure that you meet the group on the early morning of the 25th October at Taipei International Airport to board the coach for the Land Programme. If you wish to arrive a day or two earlier, there is an airport hotel conveniently located about a few minutes away by taxi or shuttle bus. Downtown Taipei is located about 50 minutes from the international airport.
4. If you are traveling from another location in Canada to connect either at Toronto or Vancouver, you may also ask Ms. Chiang to also book the domestic connecting flights. There will be a separate airfare calculation for the domestic connecting flights.

5. Please provide her with:

- ✓ Your first, middle and last name, as it appears on your passport and passport number;
- ✓ Your airline ticket routing whether it is Taipei only or Taipei including the Hong Kong/Macau extension;
- ✓ Your preferred class of seat (economy, premium economy, or business class);
- ✓ Credit card number, expiry date, name on credit card. Ms. Chiang will contact you for the CVV number by telephone, if needed.
- ✓ Your contact coordinates including: mobile telephone, email and address.
- ✓ Your Aeroplan number. EVA Air is an Star Alliance partner of Air Canada. You will earn Aeroplan points or you may wish to use Aeroplan points for class upgrades, if available.
- ✓ Dietary preference for meals.
- ✓ Trans-Pacific seating preference.

Please note:

- As the airline requires full payment at the time of booking to confirm your space, it is highly recommended that you book your airline ticket as soon as you receive this document. The travel consultant has already noted that all of the lowest class of economy fares are “sold out” for the 24th October departing Toronto for Taipei.
- The above quoted air fare and space are subject to change. The airline can only guarantee the price and seat reservation when the ticket is fully paid and issued.
- All class of travel have pre-assigned seats. Window or aisle preference is based on first come first serve basis and how early the ticket is paid and issued.
- A cancellation or change fee according to EVA Air ticketing policy will be applicable for every class that a ticket is paid and issued.
