Joe Daniel

December 5th, 1954 – January 28th, 2025

Its with sadness we announce Joe Daniel's passing on Jan 28th at 1:15pm. He went downhill surprisingly quickly and passed away peacefully as we listened to a hymn with these powerful words:

"Each strand of sorrow has a place
Within this tapestry of grace;
So through the trials I choose to say:
'Your perfect will in Your perfect way.'"

He seemed to perk up with his transfer to his new place in Windsor. We managed to bring him to our home for a bbq and have a zoom call with his family in England - he was really happy to have had this family time. Most importantly, Joe found peace with God and with his family over the last year.

We are grateful to all of you that visited him and prayed for him as he wrestled with his health.

There will not be any visitation or funeral service at this time. Joe's interment was January 30 at 11am. He is buried close to his parents at Windsor Memorial Gardens. It was a small family gathering with Mat and Namita, Jeremy and Laura, Tim attending in person, Josh and Joe's children Hayley, Hannah, Benson and grandchildren Mahalia and Nathaniel, Tia, Jacob and Isla on line from England.

Joe had asked for the hymn "Dare to be a Daniel" and Psalm 91 to be read. Hayley and her children read Psalm 121. We also shared the hymn that was playing when Joe passed "The perfect wisdom of our God". I shared a little bit about Joe's life (search "Joe Daniel MP" for more). We had a couple of close friends with us who helped out as pall bearers and prayed as well.

We thanked God for Joe's life and for his great plan of salvation rescuing us from death and hell. We are confidant that Joe is enjoying eternity with Jesus his Saviour.
